

10TH ANNIVERSARY OF CARRIER CLASSIC BASKETBALL GAME

 MICHIGAN STATE &  NORTH CAROLINA

NOVEMBER 2021

GOAL

Pay tribute to the brave men and women of the U.S. Armed Forces both past and present with a best-in-class production of a top college basketball game with reverence and fun.

FOX Sports has a long history of supporting the military, but its most visible tributes have come from taking the FOX NFL Sunday Pregame Show to active bases around the globe. From the U.S.S. Harry S. Truman in 2000 -> Bagram Airfield, Afghanistan in 2009 -> Pearl Harbor in 2015-16 -> and Fort Benning in 2018, FOX Sports interacts with military personnel like no other broadcaster.

Together as partners, the U.S. Navy, the universities and FOX Sports will deliver a unique and memorable event that will highlight the great work of our active military.
